

East Reservoir Dam Improvements to Begin Summer 2017

Join Us!

Public Briefings Thursday, May 11

Representatives of the Ohio Department of Natural Resources (ODNR), engineering firm Tetra Tech, Inc. and construction manager-at-risk, The Ruhlin Company, will host two public briefings to share preliminary information on construction schedules, phases of work, public access, local traffic impacts and how to obtain construction updates for the improvements to the East Reservoir Dam in Portage Lakes State Park. **We encourage you to RSVP as soon as you can.** Construction is planned to start summer, 2017. Lake water levels will not be impacted by construction, but could be adjusted at any time to address dam safety needs.

What

East Reservoir Dam Improvements –
Public Briefings

Who

ODNR, Tetra Tech, Inc. and
The Ruhlin Company

When

Thursday, May 11
5:30 to 6:45 PM
7:15 to 8:30 PM

(RSVP requested. Same information will be provided at both briefings.)

Where

ODNR Division of Wildlife District 3 Headquarters
912 Portage Lakes Drive
Akron, Ohio 44319

(Wheelchair-accessible; parking is limited so we encourage you to carpool.)

RSVP

Please RSVP by emailing Angela DelBrocco at adelbrocco@murphyepson.com or by calling **614-221-2885 ex.18.**

BACKGROUND – The East Reservoir Dam includes three separate earthen embankment sections measuring a combined distance of approximately 1,400 feet. Those who attend the public briefing will learn about the dam structure, general dam safety concepts and plans for dam risk reduction measures, and be invited to provide their comments. Additionally, ODNR will share its plans to keep the public informed throughout construction.

Hosted by the Ohio Dept. of Natural Resources and Tetra Tech, Inc.
